Kuala Lumpur, 4 March 2024 – Kenanga Investors Berhad (“**Kenanga Investors**”) has received eight awards at the 2024 Best of the Best Awards held by the Hong Kong-based Asia Asset Management (“Awards”). Kenanga Investors was recognised for its exceptional performance in several categories, solidifying its position as a leading fund house in Malaysia and the ASEAN region.

Kenanga Investors received the following awards; ***Malaysia Best Impact Investing Manager, Malaysia Best Equity Manager, Malaysia Best House for Alternative, Malaysia Most Improved Fund House, Malaysia Best Investor Education, Best Impact Investing Manager in ASEAN.***

In addition to the above, Executive Director and Chief Executive Officer Datuk Wira Ismitz Matthew De Alwis was awarded ***Malaysia CEO of the Year***, marking this the fifth year that he has received this prestigious award. Simultaneously, Chief Investment Officer, Lee Sook Yee was awarded her seventh ***Malaysia CIO of the Year*** title.

The investment landscape has been dominated by a host of macro issues, yet the firm’s focus has remained steadfast on identifying growth opportunities. “The global markets, especially in the United States, have been widely acknowledged as the performing markets of the year. Despite this, our global and ASEAN funds showcased remarkable resilience and performed well even amid adverse market conditions. This success is largely due to our strategic focus on regions and sectors that demonstrate robustness and are poised to benefit from cyclical trends”, says Datuk Wira De Alwis. The firm’s investment excellence is demonstrated in its 6th consecutive Best Equity Manager and 5th consecutive Best House for Alternatives awards.

Kenanga Investors’ leadership in sustainability and impact investing is demonstrated through its commitment to generating positive social and environmental outcomes alongside financial returns for its clients. “Today, our role and engagements with investee companies has evolved beyond raising awareness, to fostering in-depth, two-way conversations focusing on enhancing existing practices and developing structured strategies. As such, we are honoured to receive not one, but two awards recognising our efforts within this space, including Best Impact Investing Manager in ASEAN”, Datuk Wira De Alwis explains.

Continuing its trajectory of innovation, Kenanga Investors recently broadened its product portfolio with the introduction of the Kenanga Islamic Asia Pacific (ex Japan) Total Return Fund. This new fund diversifies into the global Asia Pacific region in order to capture growth opportunities and to cater to a wider range of investor preferences, particularly those seeking Shariah-compliant investment options. This, combined with the
