DEFINITION AND INTERPRETATION

"**Controlling Person**" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, Controlling Person(s) means persons in equivalent or similar positions.

"**Entity**" means a legal person or a legal arrangement, such as corporation, organisation, partnership, trust or foundation.

"**Participating Jurisdiction**" means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard.

"**Personal Information**" in respect of your and any Controlling Person, means: (i) where your and any Controlling Person is an individual, his/her full name, date and place of birth, residential address, mailing address, contact information (including telephone number), and any taxpayer identification number ("TIN"), social security number, citizenship(s), residency(ies) and tax residency(ies) or (if applicable) such other information as the RHB Banking Group may reasonably require regarding such Customer and any Controlling Person; (ii) where the Customer and any Controlling Person is a corporate/entity, its full name, date and place of incorporation or formation, registered address, address of place of business, tax identification number, tax status, tax residency, registered address, address of place of business, certification of its CRS status/classification or (if applicable) such other information as the RHB Banking Group may reasonably require regarding each of its substantial shareholders and controlling persons.

"**Reportable Jurisdiction**" is a jurisdiction with which an obligation to provide financial account information is in place.

"**Tax Information**" in respect of a Customer and any Controlling Person, means: (i) any documentation or information (and accompanying statements, forms, representations, waivers and consents as the RHB Banking Group may from time to time require or as the Customer and any Controlling Person from time to time give) relating, directly or indirectly, to the tax status of the Customer and any Controlling Person; (ii) Personal Information of the Customer and any Controlling Person; (iii) Account Information; and (iv) any other information received by any member of the RHB Banking Group in relation to the Customer, including (but not limited to) information collected and maintained pursuant to Anti-Money Laundering/ Know Your Customer (AML/KYC) procedures.

"**Tax Resident**" refers to the definition of tax residence by each participating jurisdiction as provided on [<https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>]. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.

"**TIN**" (including "functional equivalent") means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link [<https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers>].

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.

"**US Person**" refers to a US Person as defined in Section 7701 (a) (30) of the Internal Revenue Code and includes an individual who is a citizen or resident of the US.

LOAN FINANCING RISK DISCLOSURE STATEMENT

Investing in a unit trust fund with borrowed money is more risky than investing with your own savings. You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financing circumstances. You should be aware of the risk, which would include the following:-

- (i) The higher the margin of financing (that is, the amount of money you borrow for every Ringgit of your own money that you put in as deposit or down payment) the greater the loss or gain on your investment.
- (ii) You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
- (iii) If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the prescribed time, your units may be sold towards the settlement of your loan.

(iv) Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are incurred instead. Whether you eventually realise a gain or incur loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.

This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take the loan. If you have doubts in respect of any aspect of this Risk Disclosure Statement or the terms of the loan financing, you should consult the institution offering the loan.
